

# '17 Summer Internship

Centre for  
Cognitive  
Development

Thanks for your interest in the 2017 CCD Summer Internship. For details about the duties and requirements for our internship, please visit us online at <http://cogdev.psych.ubc.ca>

The 2016 Summer Internship will be held from June 1st - July 28th, 2017.

This application is due **March 8th, 2017**. Please email this saved and completed application, along with a Cover Letter and an Unofficial Transcript to [summerinternship@cogdev.psych.ubc.ca](mailto:summerinternship@cogdev.psych.ubc.ca). We also require two Reference Letters to be separately sent by mail or email with your name in the subject heading. Thank you for your interest in our program!

Application Version: Feb/2/2017

## School Information

Current  
University/  
College

School City and  
State/Province

What's your  
major?

Cumulative  
GPA

Expected  
Graduation  
Month and Year

Are you  
currently in an  
Honours  
program?

Yes  
No

### **Qualifications and Prior Experience**

1. Tell us about any prior experiences you've had working in a psychology lab. What were your responsibilities and duties? Note that although not required, previous experience working in a lab is strongly recommended for this position. *If you prefer, you can include the answer to this question in a document with your Cover Letter (mark it as Question 1).*

2. Tell us about any experience you have working with children, including in research and non-research settings. Note that although not required, previous experience working with children and parents is strongly recommended for this position. *If you prefer, you can include the answer to this question in a document with your Cover Letter (mark it as Question 2).*

3. Why are you interested in our Summer Internship program? What do you hope to gain from the experience? *If you prefer, you can include the answer to this question in a document with your Cover Letter (mark it as Question 3).*

---

### Other Skills

None of the following skills are mandatory, but can be very helpful in the lab and can help us place you in a project that you would be best qualified for.

Have you ever participated in an internship program?	Yes No	Which one?
Do you speak any other languages?	Yes No	Which ones?
